

How to create your **BOOK OF COUPONS**:

1. Cut out along the black lines.
2. Discard any coupons that aren't relevant (no point having a bath coupon if you don't have a bath!)
3. Write a personal message on the blank coupon
4. Staple the book together along the left side

<p><i>Happy Mother's Day</i></p>  <p>Book of Coupons</p>
